Remarks

Don't miss this Move-in Ready, Brick, three bedroom home in Pontiac's much desired Knolls subdivision, just up the block and around the corner from Amazon, and just minutes away from Downtown Pontiac, and Auburn Hills. This home qualifies for any of several First Time Homebuyer Downpayment Assistance Programs, including the \$20k offered by National Faith Homebuyers, that can be stacked on top of other DPA programs being offered by other Mortgage Brokerages, Banks and Credit Unions. Get in where you fit in, while DPA is available, and rates are low. If you are renting, this is your chance to own your own. If you are investing, this is a great property to add to your portfolio. Schedule a showing ASAP, because this opportunity is for a limited time only. IDRBNB, BTVAI
